## **Royale Racing LLC Transport Policy Modification**

**Schwenksville, PA USA (April 29<sup>th</sup>, 2010)** – In order to get a race schedule locked in early each race season (April through November) and ensure the best cost savings for our customers, Royale Racing has decided to modify the existing policy to include a deposit requirement.

Starting immediately, a deposit will be required for all customers desiring Transport, Pit, and/or Paddock assistance from Royale Racing. A \$100.00 deposit (\$50.00 for each additionally scheduled event) will be required at the onset of each race season (December through March) and is required at a minimum 90 days in advance of an event. If a deposit is not received then full rates will apply; reference <http://www.royaleracingllc.com> for current rates, schedule, and/or services offered. The deposit will be credited on the next customer invoice after the scheduled event in reverse order of payments received. If for any reason a customer needs to cancel, a 60 day advance notice will be required or the deposit will be forfeited. An exception to the cancellation notice requirement above can be provided for mechanical failures and/or personal emergencies but will be at the sole discretion of Royale Racing.

Royale Racing provides some of the lowest costs for transport in the Mid-Atlantic and North-East, our cost structure is designed to save our customers money per event, allowing them to run more events. This structure only works if at a minimum 2 people share transport to an event (not including Royale Racing), this modification will allow us and our supported customers to budget accordingly as cancellations affect everyone.
